Lake Live Live 2025. It's hard to believe this is the 9th year of the Lake Life Live Beach Music Series! Our goal each year is to "Bring the Best Beach Music to the Lake!" The weather was not good to us in 2024. We had more rain outs last year that we've had in our 9 previous years combined!! We hope 2025 will be a better year!! Our 2025 line up may be the best ever. We kick off Lake Life Live 2025 on May 3th with The Konnection and the Catalinas.June 7th, the Swingin' Medallions will make a return appearance in Clarksville. On July 5th, crowd favorite, Jim Quick and Coastline and Aug 2nd, we bring the Band of Oz to the LLL stage.. We will finish out 2025 on Sunday, August 31st with JB and the Get Down Browns and The Embers featuring Craig Woolard.

The Lake Life Live Concert Series was again nominated for "Concert Series of the Year" by the Carolina Beach Music Academy. This was our fifth nomination in as many years. As in previous years we came up a little short in the voting. . Our competition is from much larger venues....Raleigh, Charlotte, and Myrtle Beach. We encourage you to join the Carolina Beach Music Academy. This will give you the ability to nominate and vote for all of your favorite bands, DJ's, and events, like Lake Life Live. We are excited to be nominated and will continue to do our best to "Bring the Best Beach Music to the Lake!"

There is no way we could do what we do without the support of our generous sponsors. . We offer sponsor levels from Bronze to Platinum Elite. We hope there is one this fits into your budget. Due to the generosity of our sponsors.....we are able to bring in top notch entertainment and keep our admission at \$5.00!! With your help we can continue to make Clarksville a destination for the best Beach Music in Southern Virginia and Northern North Carolina.

If you have any questions please let us know. Thank you for your consideration and we look forward to seeing you in May.
